

Curriculum vitae

Nicola Fabiano

13/05/2022

Curriculum vitae et studiorum

Contact information

First Name: Nicola

Last Name - Surname: FABIANO

Profile

- 1994 - present: Lawyer - Partner at Studio Legale Fabiano (Fabiano Law Firm)
- 2019 - 2021: Former President of the San Marino Data Protection Authority
- 2019 - 2021: Former national expert of the Republic of San Marino to Committee of Convention 108 of the Council of Europe
- 2021 - 2021: Former National expert of the Republic of San Marino to the CAHAI (Ad hoc Committee on Artificial Intelligence) of the Council of Europe
- 2022 - present: Adjunct Professor at the University of Ostrava - Rome - on Fundamentals of data protection legislation;
- 2022 - present: Member of the Italian National Bar (Consiglio Nazionale Forense - CNF) Personal Data Protection Commission.
- 2022 - present: Technical Expert at Accredia (The Italian Accreditation Body) Certification and Inspection Department;
- Independent Researcher - **ORCID** profile: <https://orcid.org/0000-0002-8188-7656>

Education and qualification

- 11/12/1989 - Degree in Law, Top grade (magna cum laude) - University of Bari (Italy)
- 27/03/1996 - Postgraduate Degree in Civil Law (Civil Law Specialist - Specialista in Diritto Civile), University of Camerino (Italy)
- 2012 - Course Auditor / Lead Auditor ISO/IEC 27001
- 28-29/04/2014 - Masterclass on Societal Security - European project ASSERT, Bruxelles
- 2017 - Course on Data Protection and Privacy Rights (winner) promoted by the Council of Europe in cooperation with the Italian Bar Council (Consiglio Nazionale Forense - CNF)

Work experience

- 2022 - present - Adjunct Professor at the University of Ostrava - Rome - on Fundamentals of data protection legislation;
- 1993 - present Qualified chartered Lawyer (Foggia Bar), Italy
- 1994 - present Founder of the STUDIO LEGALE FABIANO - Partner
- 2006 - present Entitled to represent clients before the Italian High Courts
- 2014 - present Enrolled in the list of the EU experts in Societal Security
- 2019 - 2021 President of the San Marino Data Protection Authority
- 2017 - 2018 Government advisor of the Republic of San Marino for the drafting of the data protection legislation
- 2019 - 2021 - Former national expert of the Republic of San Marino to Committee of Convention 108 of the Council of Europe
- 2021 - 2021 - Former National expert of the Republic of San Marino to the CAHAI (Ad hoc Committee on Artificial Intelligence) of the Council of Europe
- 2017 - present Member of the Working Group of the FIIF (Fondazione Italiana per l'Innovazione Forense - Italian Foundation for the * Forensic Innovation) of the CNF (Consiglio Nazionale Forense – National Bar Council);
- 2021 - present Member of the scientific committee and lecturer of the "Advanced training course on the protection of personal data for Data protection officer (DPO)" under the patronage of the Italian Data Protection Authority (Garante), organised by the Centro per l'Informatica e l'Innovazione Forense (CINFOR) - Center for Informatics and Forensic Innovation - <https://corsodpo.cinfor.it>;
- 2018 - present Member of the scientific committee and lecturer of the "Advanced training course on the protection of personal data - Data protection officer (DPO)" under the patronage of the Italian Data Protection Authority (Garante), organised by the Italian Bar

Council (CNF) and the National Council of Engineers (CNI) - <https://www.corsodpo.it>

- 2018 - present Member of the "IEEE SA P7007 Ontological Standard for Ethically Driven Robotics and Automation Systems Working Group" and chair of the "Data Privacy and Protection" sub-group

Past activities

- 2019 - Member of the Technical Committee of "The Eleventh International Conference on Evolving Internet" - INTERNET 2019, June 30, 2019 to July 4, 2019 - Rome, Italy;
- 2018 - Member of the Technical Committee of "The Tenth International Conference on Evolving Internet" - INTERNET 2018, June 24, 2018 to June 28, 2018 - Venice, Italy;
- 2017 - Member of the Technical Program Committee of the International Conference "IEEE Cyberscitech 2017" Orlando, USA, November 6-10, 2017;
- 2012 - Member of EMG (Member of the External Member Group) of the European project BUTLER;
- 2013 - Member of the Advisory board of the European BURBA Project;
- 2008 - 2009 Contributor to Diritto dell'Internet, IPSOA, Milano
- 2007 - 2008 External expert and consultant for ADICONSUM (Italy) for the "EAST - Easy to Stop-it" project, running from January 2007 to December 2008, consists of a combined node for hotline and awareness-raising activities in Italy, aimed at guaranteeing a relevant increase of Internet safety for minors, both on the side of supporting the fight against illegal/harmful content and online crime (namely child pornography), and promoting a more responsible, positive and large use of the Web and the new ICTs by minors, thus involving all relevant stakeholders and strengthening synergies with national and EU policies/initiatives.
- 2008 - 2009 External expert and consultant for ADICONSUM (Italy) for the Youth Protection Roundtable (YPRT), project funded in the framework of the Safer Internet Action Plan of the European Commission from November 2006 till April 2009. On April 3rd, the first international youth media protection conference took place in Berlin, It was the fifth meeting of the Youth Protection Roundtable - this time open to the public. The Youth Protection Roundtable will encourage a collaborative and cross-sector dialogue focusing on the optimal mix of effective technology-enhanced strategies on the one hand and education-based strategies on the other hand to enable youths - and responsible adults in the case of minors - for safe and secure use of the Internet.
- 2009 - 2010 - External expert and consultant for ADICONSUM (Italy)

for the “EAST2 - Easy to Stop-it” project, running from January 2009 to December 2010, consists of a combined node for hotline and awareness-raising activities in Italy, aimed at guaranteeing a relevant increase of Internet safety for minors, both on the side of supporting the fight against illegal/harmful content and online crime (namely child pornography), and promoting a more responsible, positive and large use of the Web and the new ICTs by minors, thus involving all relevant stakeholders and strengthening synergies with national and EU policies/initiative.

- 2008 - 2010 - Member, on behalf of the Italian node, of the European social networking task force called from the European Commission, 2008 - 2010
- 2008 - 2010 - Expert and Consultant of the ADICONSUM as part of the Italian node of the Safer Internet Programme Plus.

Skills and Qualifications

- Certified:
 - Information Security Management System professional - ISO 27021:2017
 - Data Protection Officer - UNI 11697:2017
 - Security Manager - UNI 11506:2017
 - Privacy assessor - UNI 11697:2017
 - Advisor and Trainer in the following area:
- Data protection and privacy;
- Cybersecurity;
- ICT – Digital Innovation

Membership

- 2009 - present - Member of the Council Internet of Things;
- 2017 - present - Academic Member of the Athens Institute for Education and Research (ATINER), belonging to the Law & Computer Unit;
- 2017 - present - Member of AI*IA (Italian Association for the Artificial Intelligence);
- 2018 - present - Member of IEEE;
- 2019 - present - Member of IEEE SA

Mentions and Awards

- IEEE Working Group - Award for the contributions to the IEEE 7007-2021 Ontologies for Ethically Driven Robotics and Automation;

- Award for delivering a great keynote address at a plenary session of “The 10th International Multi-Conference on Complexity, Informatics and Cybernetics: IMCIC 2019”, March 12 - 15, 2019, Orlando, Florida, USA
- Session’s Best Paper - Section Informatics and Cybernetics “Ethics and the Protection of Personal Data”, at “The 10th International Multi-Conference on Complexity, Informatics and Cybernetics: IMCIC 2019”, March 12 - 15, 2019, Orlando, Florida, USA
- Best paper “Blockchain and Data Protection: The Value of Personal Data” at “9th International Multi-Conference on Complexity, Informatics and Cybernetics (IMCIC 2018)”, March 13-16 2018, Orlando, Florida, USA;
- Awarded Paper “European Data Protection Regulation and the Blockchain Analysis of the Critical Issues and Possible Solution Proposals” presented at “The Tenth International Conference on Evolving Internet - INTERNET 2018”, June 24, 2018 to June 28, 2018 - Venice, Italy
- Academic Member of the Athens Institute for Education and Research, belonging to the Law Research Unit and the Computer Research Unit, 2017;
- Winner of the course on Data Protection and Privacy Rights promoted by the Council of Europe in cooperation with the Italian Bar Council (Consiglio Nazionale Forense - CNF), 2017;
- Mentioned in the document “A Report on the State of PbD to the 33rd International Conference of Data Protection and Privacy Commissioners” presented by the Information and Privacy Commissioner of Ontario, Canada, 2011;
- Privacy by Design Ambassador, recognised by the Commissioner of Ontario, Dr Ann Cavoukian, to join a select group of privacy leaders recognised worldwide for their thought leadership, 2010;
- Thank-you and congratulations letter from the General Consulate of Serbia Republic in Bari, 2008.

Speaking at events and conferences, interviews and activities:

2022

- 19/1/2022 - lecture on ”Personal data transfers to third countries or international organizations” at the University of Applied Sciences of Southern Switzerland - Department of Innovative Technologies;
- 16/2/2022 - lecture on ”GDPR & Privacy: awareness and opportunities.

Approaching with the Data Protection and Privacy Relationships Model (DAPPREMO)” at Labor Project Academy;

- 6/4/2022 - moderator of the session ”Privacy by Design in Practice” at the Privacy Symposium, Venice 2022;
- 12/5/2022 - moderator of the international session ”European digital sovereignty and innovation: impacts on data protection and privacy”, 8th ASSO DPO Congress, Milan;

2021

- 07/12/2021 - speaker at the event ”The DPO Annual Conference”;
 - 13/10/2021 - speaker at the ”Nuevo Ciclo de Conferencias 2021 organizado por la SAI (Sistemas Administrativos Inteligentes) - Academia Nacional de Ciencias de Buenos Aires - Centro de Estudios en Tecnologías Inteligentes”, talk entitled ”Sistemi intelligenti tra etica e privacy: quali sfide?”
 - 29/07/2021 - speaker at ICRES 2021 - International Conference on Robot Ethics and Standards - Special Session 2, New York, USA, 26-27 July 2021, talk entitled ”Robots, Standards, Ethics and privacy: the coexistence in a legal perspective through the model DAPPREMO”;
 - 28/04/2021 - speaker at the webinar event entitled “Riflessioni in materia di data protection e e presentazione del volume ”GDPR & Privacy. Consapevolezza e opportunità - L’approccio con il Data Protection and Privacy Relationships Model (DAPPREMO)”, organised by ASSODATA.
 - 25/03/2021 - speaker at the webinar event entitled “Tutela e protezione dei dati personali: l’Avvocato 4.0”, organised by the Matera Bar with the sponsorship of the FIIF (CNF), talk entitled “Autorità di controllo e nuove sfide”;
 - 10/03/2021 - speaker at the Plenary Session of “The 12th International Multi-Conference on Complexity, Informatics and Cybernetics: IMCIC 2021”, talk entitled “The paradox of adequate privacy for minors on online digital platforms: waiting for Godot”, Orlando, USA;
 - 09/03/2021 - Moderator of the session entitled “Privacy and Cybersecurity” of “The 12th International Multi-Conference on Complexity, Informatics and Cybernetics: IMCIC 2021”, Orlando, USA;
 - 28/01/2021 - speaker at the international event “European Data Privacy Day Webinar” organised by the Ozyegin University (Turkey);
 - 27/01/2021 - speaker at the event “Data Protection - Ieri oggi - domani” organised by UNIDPO e the Association Unione forense per la tutela dei diritti umani;
-

2020

- 10/12/2020 - speaker at the "2nd Scientific International Conference on CBRNe SICC Series 2020", talk entitled "Artificial Intelligence and Facial recognition in an IoT ecosystem: the impact on data protection and privacy and the relevance of Ethics";
- 03/12/2020 - Interview - "Cessione dati personali in cambio di sconti online - Intervista all'Avv. Nicola Fabiano" - webradioiuslaw.it;
- 30/11/2020 - speaker at the international webinar event "GDPR, privacy e il modello DAPPREMO: consapevolezza e sicurezza informatica", organised by the CINFOR, Foggia Bar in cooperation with UNIDPO;
- 22/10/2020 - speaker at the event "Privacy: orientarsi nell'evoluzione dei fenomeni", organised by the Italian National Council Bar for the public presentation of the book entitled "GDPR & Privacy consapevolezza e opportunità. L'approccio con il Data Protection and Privacy Relationships Model (DAPPREMO)";
- 21/10/2020 - Interview for the annual Congress of ASSO DPO - Edition 2020;
- 17/10/2020 - speaker at the public hearing with the Capitani Reggenti of the Republic of San Marino for the first public presentation of the book entitled "GDPR & Privacy consapevolezza e opportunità. L'approccio con il Data Protection and Privacy Relationships Model (DAPPREMO)";
- 09/10/2020 - speaker at the kick-off meeting of the course on the Protection of data and right to privacy - HELP Programme of the Council of Europe;
- 28/09/2020 - Interview for Associazione Persone & Privacy - "Filo diretto con i Garanti" with Antonio Ciccina Messina;
- 16/09/2020 - talk and social session for FIT4Privacy with Punit Bhatia - Live: Data Protection and Privacy Relationships Model (DAPPREMO);
- 30/06/2020 - Foreword to the book "Applied Approach to Privacy and Security for the Internet of Things" by Parag Chatterjee (National Technological University, Argentina & University of the Republic, Uruguay), Emmanuel Benoist (Bern University of Applied Sciences, Switzerland) and Asoke Nath (St. Xavier's College, Kolkata, India);
- 28/06/2020 - Interview to San Marino RTV - Autorità Garante protezione dei dati San Marino: il bilancio del primo anno di attività;
- 15/06/2020 - speaker at the online evento on "Le app di tracciamento: equilibrio tra scienza e diritti fondamentali", organised by the POST - Museo della Scienza di Perugia - Digipass Umbria;
- 21/05/2020 - Interview to Key4biz with Luigi Garofalo;
- 08/05/2020 - speaker at the webinar "Contact tracing app: il quadro

normativo europeo e la disciplina italiana”, organised by the CINFOR in cooperation with UNIDPO and Privacy Italia;

- 23/04/2020 - speaker at the webinar “Contact tracing e privacy - Sovranità digitale europea senza etica”, organised by UNIDPO;
- 09/04/2020 - Interview to FIT4Privacy with Punit Bhatia;
- 17/03/2020 - Interview - Tecnologia, intelligenza artificiale e dati personali al tempo del coronavirus – intervista all’avv. Nicola Fabiano - webradioiuslaw.it;

2019

- speaker “International conference on Applications of Intelligent Systems, APPIS 2020”, 2020, Las Palmas de Gran Canaria, Spain, paper “The value of personal data is the Data Protection and Privacy preliminary condition: synthetic human profiles on the web and ethics“;
- speaker “International conference on Applications of Intelligent Systems, APPIS 2019”, 7-12/1/2019, Las Palmas de Gran Canaria, Spain, paper “Robotics, Intelligent Systems, Ethics and Data Protection“;

2018

- speaker (virtual), “International Conference on Robot Ethics and Standards ICRES 2018”, 20-21/08/2018, Troy, New York, USA, paper “Drones and Data Protection issues“;
- speaker, “The Tenth International Conference on Evolving Internet” - INTERNET 2018, June 24, 2018 to June 28, 2018 - Venice, Italy;
- speaker (virtual), “9th International Multi-Conference on Complexity, Informatics and Cybernetics”, Orlando, Florida, USA, March 13-16, 2018;

2017

- speaker, “Internet of Things for the Global Community – IoTGC”, Funchal, Madeira Island, July 10th to 13th, 2017;
- speaker, “2017 IEEE International Conference on Internet of Things (iThings-2017)”, 21-23 June, Exeter, UK;

- speaker, “13th Annual International Conference on Information Technology & Computer Science” - Athens Institute for education and research, 15-18 May 2017, Athens (Greece);
- speaker, “The 1st International Conference on Internet of Things – Applications and Infrastructure” 19-20 April 2017 – Isfahan University (Iran);

2013

- speaker (paper sent), International conference on identification, information and knowledge in the internet of things IIKI, Beijing Normal University, Beijing 2013;

2012

- speaker, 12th Forum EXPO ICT Security, “Internet of Things: standard privacy attraverso la Privacy by Design”, Rome (Italy) 17/10/2012;
- speaker, BUTLER EU project, 3rd Plenary meeting, University of Luxembourg, Luxembourg 10/9/2012;
- speaker (paper sent), First International Conference on Security of Internet of Things, AMRITA University, India August 2012;
- speaker, workshop IoT Security and Privacy, “Internet of Things and Privacy by Design toward a standardisation process”, IoT Week 2012, Venezia 19/06/2012;

2009

- speaker, “The Internet of Things”, Council launch, «Legal issues» - IMAL Brussels 4/12/2009.

Main international articles, papers and essays

- Paper “The approach with the Data Protection and Privacy Relationships Model (DAPPREMO)”, The Journal on Systemics, Cybernetics and Informatics: JSCI - Volume 19 - Nr 7 - Year 2021, pp. 1-19 - ISSN: 1690-4524;
- Paper “The approach with the Data Protection and Privacy Relationships Model (DAPPREMO)”, 2021, ArXiv;

- Article "Digital sovereignty between 'accountability' and the value of personal data" published in *Advances in Science, Technology and Engineering Systems Journal (ASTESJ)* - Volume 5, Issue 3, Page No 270-274, 2020, DOI: 10.25046/aj050335, 28/05/2020;
- Article "La soluzione italiana dell'app per il contact tracing. Il 'toolbox' ancora non dettagliato", *Key4biz*, 6/05/2020;
- Article "Contact tracing and privacy: European digital sovereignty but without ethics", *Broadband4europe.com*, 20/04/2020;
- Article "Contact tracing e privacy in Europa, c'è la sovranità digitale ma manca l'etica", *Key4biz*, 20/04/2020;
- Article "Coronavirus emergency and privacy: valid the juridical approach to the GDPR", *Broadband4europe.com*, 19/03/2020;
- Article "Coronavirus, app e privacy: valido l'approccio giuridico del GDPR", *Key4biz*, 19/03/2020;
- Paper "The value of personal data is the Data Protection and Privacy preliminary condition: synthetic human profiles on the web and ethics", presented at the international conference APPIS 2020 (Applications of Intelligent Systems), Las Palmas de Gran Canaria, Spagna, 8/1/2020;
- Article "La sovranità digitale tra accountability e valore del dato personale", in *Key4biz*, 26/11/2019;
- Co-author of the paper entitled "Robotic Standard Development Life Cycle in Action", 16/11/2019, Olszewska, J.I., Houghtaling, M., Goncalves, P.J.S. et al. *Robotic Standard Development Life Cycle in Action. J Intell Robot Syst* (2019);
- Article "Il caso svedese. Riconoscimento facciale e dati biometrici, cosa dice il GDPR?", in *Key4biz*, 02/09/2019;
- Paper "The Meaning of 'Accountability,' 'Responsibility' and 'Liability' in the GDPR: Proposal for an Ontology", presented at "The Eleventh International Conference on Evolving Internet – INTERNET 2019", organised by the International Academy, Research, and Industry Association (IARIA), 4/072019;
- Paper "Ethics and the Protection of Personal Data", presented at "The 10th International Multi-Conference on Complexity, Informatics and Cybernetics: IMCIC 2019", March 12 – 15, 2019, Orlando, Florida, USA;
- Article "Nulla la notifica ad un indirizzo PEC diverso da quello presente nel RegInDE", in *Diritto24*, 25/2/2019;
- Paper "Robotics, Intelligent Systems, Ethics and Data Protection - The new challenge", presented at the International Conference on Applications of Intelligent Systems, APPIS 2019 - Las Palmas de Gran Canaria, Spain, organised by the University of Groningen and the University of Las Palmas de Gran Canaria, 7-9/1/2019;
- Article "Protezione dei dati personali in ambito ICT", in *Diritto24*, 30/10/2018;

- Paper titled “Drones and Data Protection issues”, International Conference on Robot Ethics and Standards ICRES 2018, Troy, New York, USA, 20-21/08/2018;
- Paper titled “European Data Protection Regulation and the Blockchain Analysis of the Critical Issues and Possible Solution Proposals” - ”The Tenth International Conference on Evolving Internet” - INTERNET 2018, June 24, 2018 to June 28, 2018 - Venice, Italy, 24/6/2018;
- Paper titled “Blockchain and data protection: the value of personal data” - 9th International Multi-Conference on Complexity, Informatics and Cybernetics, Orlando, Florida, USA, 13-16/3/2018;
- Paper titled ”Internet of Things, Blockchain and Intelligent Systems: the primary role of Data Protection“ - “1st International Conference on Applications of Intelligent Systems, APPIS 2018” - Las Palmas de Gran Canaria, Spain, organised by the University of Groningen e University of Las Palmas de Gran Canaria, 10-12/1/2018;
- Paper titled “Robotics, Big Data, Ethics and data protection: a matter of approach”, International Conference on Robot Ethics and Standards ICRES 2017, Lisbona, Portugal, 20-21/10/2017 ;
- Paper titled “Internet of Things and data protection: the challenge for a privacy standard. A common legal framework for privacy” - “International Conference in Engineering Applications - Internet of Things for the Global Community – IoTGC” - Funchal, Madeira Island, Portugal, 21-23 July, organised by the University of Madeira (UMa) e Madeira Interactive Technologies Institute (M-ITI), 21-23/7/2017;
- Paper titled “Internet of Things and Blockchain: legal issues and privacy. The challenge for a privacy standard” - “10th IEEE International Conference on Internet of Things (iThings-2017)”, Exeter, Devon, UK, 21-23 giugno 2017;
- Paper titled “Internet of Things and the Legal Issues related to the Data Protection Law according to the new European General Data Protection Regulation” – “13th Annual International Conference on Information Technology & Computer Science” - Athens Insitute for education and research, 15-18 May 2017, Atene (Greece), 15-18/5/2017;
- Paper titled “Internet of Things and data protection: the challenge for a privacy standards” – “The 1st International Conference on Internet of Things – Applications and Infrastructure” 19-20 April 2017 – Isfahan University (Iran);
- ”The European Commission’s proposed general data protection regulation and the potential effects on the Italian law”, interview for Nymity, November 2013;
- ”The Internet of Things: establishing privacy standards through Privacy by Design”, in Cutter IT Journal, 2013;
- “Legal analysis of the new proposed EU regulation on data protection”, IAPP, February 2012;

- co-author of the paper “How to shop safely online“, ENISA, ISBN-13 978-92-9204-050-5, 2010;
- co-author of the paper ”Online as soon as it happens”, ENISA, ISBN-13 978-92-9204-036-9, 2010;
